

Events and general catch up

Dear Sir / Madam

I hope you are keeping well and enjoyed your summer break. I thought it was high time we had a bit of a catch up...

The latest in our series of end user networking events "**Data Centre Operations**" took place in our new venue in central London at the beginning of July and, despite choosing the hottest, most sweltering day of the year, we cranked the air conditioning up, put the beer and wine on to chill and were over the moon to welcome over 130 visitors! Check out the brand new video footage of the evening - along with photos, attendee list etc - various links to be found on our [events page](#) in the "*past events*" section.

Big thanks to all involved, including sponsors and attendees. We are immensely grateful for everyone's kind support and look forward to seeing more of you at the next events...

Upcoming Events

The next events are as follows:

- Q4 2015: "**Data Centre Design & Build**" networking session, 5-9pm, Wednesday 14th October - we are very nearly up to full capacity but have a few tickets remaining for the right people - if you are a decision maker within an end user organisation please do get in touch with me directly to enquire about attending.
- Q1 2016: "**Energy, Sustainability & Optimisation within the Data Centre**", 5-9pm, Tuesday 2nd February 2016

If you are interested in attending or sponsoring any of our future events, please drop me a line (contact details at the foot of this email). In the meantime, more details regarding our events - including sponsors, photos, testimonials etc - can be found on our events page [here](#).

Here is a reminder of two of the biggest events in the data centre calendar in London - we are absolutely delighted to be media partners with both of these event and, as such, I will be attending both:

- **Data Centre Europe is part of IP EXPO Europe 2015, 7-8 October 2015, Excel, London** - Register FREE today and save £35 - simply [click here](#) to register. Visitors not registered by 7pm tomorrow, Tuesday 6th of October will be charged £35. Registration for IP EXPO Europe will grant you access to all 6 co-located events.
- **Datacenter Dynamics Converged Europe, 18-19 November 2015, Excel, London** - We are delighted to announce that we have negotiated a super discount for DATACENTRE.ME subscribers - simply [click here](#) and enter the code **LDN-25DISC-DCME** at the online registration stage to save 25% on your registration!

Do let me know if you plan to be at either event and we can maybe arrange to meet up :-)

DATACENTRE.ME Website News

Massive thanks and a big welcome goes to our brand new website sponsors:

- Camfil www.camfil.co.uk who have signed up at the top level Premiere Elite Sponsors
- Coreix www.coreix.net who have signed up as Platinum website sponsors

Special thanks also goes to all of the following companies:

- Riello UPS Ltd www.riello-ups.co.uk who have recently renewed their top level Premiere Elite website sponsorship for a third year
- Schneider Electric www.schneider-electric.com who have also renewed their top level Premiere Elite website sponsorship for a third term
- EcoCooling www.ecocooling.co.uk who have renewed their Premiere Plus Sponsorship for a FORTH term
- Thamesgate Group www.thamesgate.com who have renewed their Premiere Sponsorship for a third year

- Constant Power Services www.constantpowerservices.com who have renewed their Platinum Sponsorship for a third term
- Excool www.excool.co.uk who have also renewed their Platinum Sponsorship for a third year

Gosh - we must be doing something right for all these companies to want to continue working with us! It's really wonderful to be able to continue working with you all - we are so genuinely grateful for your kind and continued support!

SPECIAL NOTE: [EcoCooling](http://www.ecocooling.co.uk) are officially DATACENTRE.ME's longest-standing sponsor so VERY SPECIAL thanks from us to you for all your support and, above all, the belief you put in us from *Day One* - when you didn't even know me! Your kindness and faith will never go forgotten!

Lastly and, as I have said a thousand times or more... we just could not offer the free international information portal DATACENTRE.ME if it wasn't for all of our loyal sponsors so ENORMOUS and heartfelt thanks goes out to each and every one of you as follows:

- * CNet Training www.cnet-training.com
- * Riello UPS Ltd www.riello-ups.co.uk
- * Schneider Electric www.schneider-electric.com

Lastly, do you happen to know any project quantity surveyors with that are currently or soon to be available for work in the south east area of England? If so, my associate is offering an **introduction fee** for an introduction that results in a successful placement. There is a genuine and current opportunity for **two** project QSs with a major contractor in West London. Data Centre experience not necessary but highways and subcontract infrastructure is a must. Please let me know if you would like more details.

That's it for now... Here's wishing you a fabulous week ahead and hope to catch up soon!

Best regards from Caroline & the DATACENTRE.ME team :-)
